

# Activities keep kids amused

COOK books will be brought to life at Melton and Caroline Springs libraries these school holidays.

Junior chefs are being invited to don an apron and chef hat on July 3 and make food fun with the Colourful Chef.

The 45-minute classes, the work of dietitian Kate Wenger, allow kids to smell, touch, see, cook and taste a range of fresh, colourful ingredients.

The cooking classes are just one of a range of activities scheduled throughout Melton these school holidays.

Libraries are also offering activities such as Lego, loom band workshops and NAI-DOC story time.

Bookings are essential so make sure you phone 9747 7200 to book your place.

The council's popular Get Activated program is also running basketball, volley-

ball and soccer. To book your place and see a complete program of events go to [melton.vic.gov.au](http://melton.vic.gov.au)

Teenagers won't miss out either.

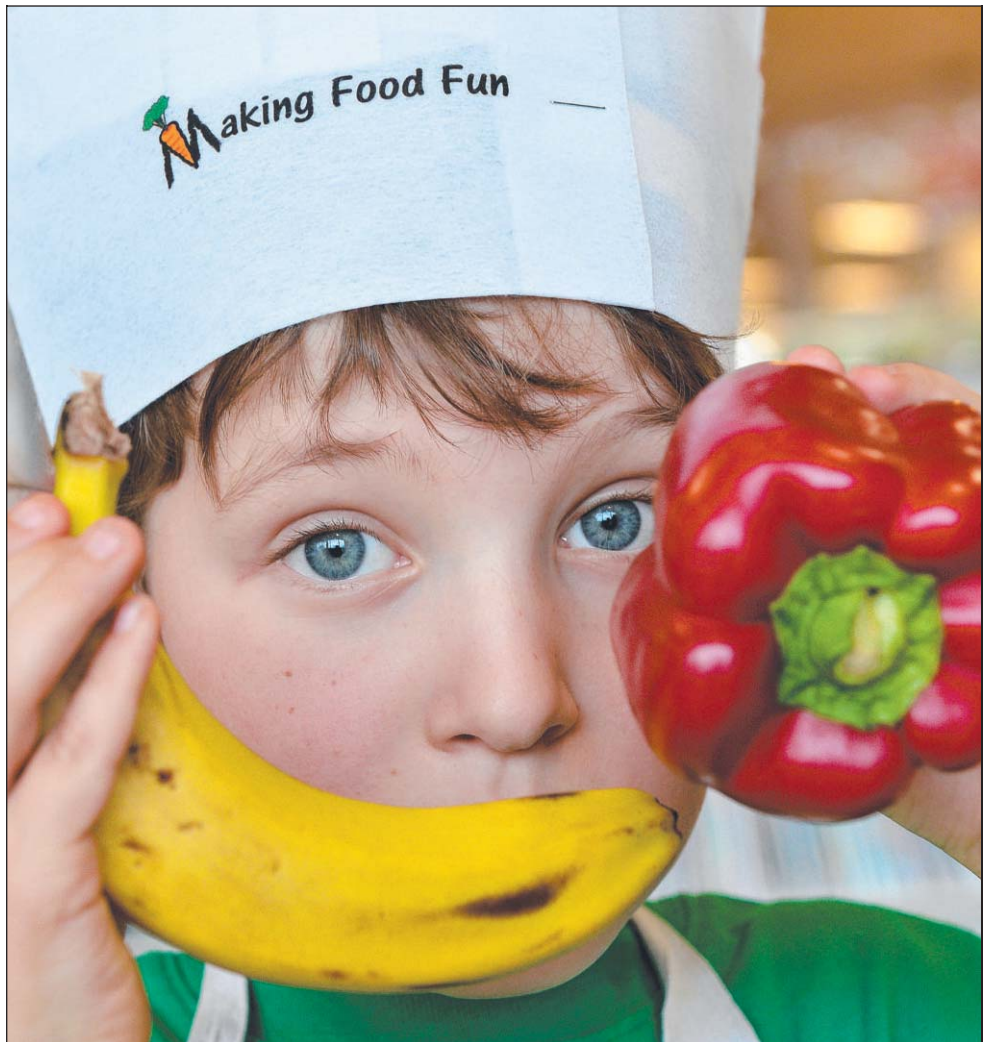

There will be activities including horse riding and tobogganing.

The teenage program includes bus pick-ups from Melton, Caroline Springs, Diggers Rest and Taylors Hill.

There's also plenty to do at Woodgrove Shopping Centre in Melton and CS Square in Caroline Springs.

There's a Mr Peabody and Sherman dance workshop at Woodgrove on June 30, while at CS Square there will be shows and activities

to keep the kids entertained.

**Oliver is looking forward to the kids' cooking classes these school holidays.**
